The general complaints about our child..

- 1. Mobile Addiction,**
- 2. Detachment from family and Over involvement with friends,**
- 3. Casual approach**
- 4. Not following the instructions**
- 5. Takes the own decisions**

Mobile Addiction,

- 1. Can we help them to understand that it's a tool which can be really very useful if used perfectly.**
- 2. Can we help our child to gain the self control?**
- 3. Let me know what help do we need from PPA towards it.**

Detachment from family and Over involvement with friends

- 1. Can we become good friends of them so they will get more involved in the family?**
- 2. Once they got the best friends at home, the problem of detachment is over.**

Casual approach

- 1. This is the right age to help them understand that the steps taken today shall lead to a great life.**

Not following the instructions

Takes the own decisions

I think it's a good news that they are trying to take some responsibilities.

Can we involve them in small decisions?

Can we make them understand that the authority comes with the responsibility.

**Lets become the role model for them because
our child is the best follower of our actions!**

PPA

Last ... But Not the least..

**Always tell your child..
“You are the best.”**

PPA

- **Thanks a lot!**
